### **Teacher of Science**

**Required for September 2022**

**Full or part time considered**

**MPS1-UPS3 + Potential recruitment and retention allowance**

JSTC is looking for an enthusiastic and talented Science Teacher to join us in the department as part of what is already a strong team.

With significant investment within school, including six science labs, strong GCSE results and an oversubscribed student body, this is an excellent time to be joining John Spendluffe. This will be an important role within the school and the new member of staff will play a key part in the school's continued success. The vacancy provides a tremendous opportunity for a new member of staff in a flourishing and successful school; we offer a friendly supportive environment, excellent professional learning and genuine development opportunities for professional growth. Applications from ECTs or experienced teachers would be equally welcomed, and we will consider all science specialisms.

**Closing date: 4.00pm, Monday 6<sup>th</sup> June, 2022.**

**Interview date: Provisionally Friday 10<sup>th</sup> June, 2022**

JSTC is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful candidate will be required to undergo an enhanced DBS check.

As part of your application please tell us why you wish to apply for this position and what experiences and expertise you can bring to this post. An application form and further details are available on our school website at [www.jstc.org.uk](http://www.jstc.org.uk) or by contacting the Headteacher's Secretary: at John Spendluffe Technology College, Hanby Lane, Alford, Lincolnshire, LN13 9BL, direct on 01507 464308 or email [f.smith@jstc.org.uk](mailto:f.smith@jstc.org.uk).
