## **Expected Behaviour on School Transport**

**Good behaviour is expected at all times, both in school or on the way to and from school.**

**Students are expected to remain in their seats for their own safety. Rubbish must be put in bags and not left on the bus.**

**Bullying, both verbally or physically will not be tolerated at any time.**

**Failure to behave appropriately could result in a bus ban. This will be issued by the school or the bus company for fair payers, or by LCC for students with bus passes. Follow up sanctions can be issued by the school for poor behaviour on the bus.**

Serious breaches of discipline or persistent misconduct on the bus can result in a permanent ban from the bus and in extreme cases, permanent exclusion from the school.

## **Lincolnshire County Council Information on School Transport**
